Pensar Medical™ *Negative Pressure. Positive Results.*

WoundPro+ Value Analysis Guide

Next-Generation Traditional Negative Pressure Wound Therapy (NPWT) for Versatile, Patient-Centered Wound Care

Pensar Medical™ specializes in cutting-edge wound care solutions that enhance patient outcomes and simplify healthcare professionals' daily routines.

Pensar Medical™
Negative Pressure. Positive Results.

Negative Pressure, Positive Results

Engineered for Healing: Compact, Reliable, Effective

The WoundPro+ delivers advanced Negative Pressure Wound Therapy (NPWT) in a lightweight, easy-to-use system designed for both clinical settings and home care. Combining 8 LPM power, versatility, and simplicity, WoundPro+ drives positive healing outcomes while reducing therapy complexity for healthcare providers.

> **The WoundPro+ is very quiet and portable.**
>
> My customers love the freedom the WoundPro+ affords them."

Key Benefits of the WoundPro+ NPWT System

Accelerates Healing

Promotes wound contraction, edge approximation, granulation tissue formation, and edema reduction.

Broad Clinical Use

Suitable for surgical incisions, traumatic injuries, chronic ulcers, closed incisions, and complex wounds.

Seamless Integration

Easily fits into all healthcare settings, including acute care, skilled nursing, rehab facilities, and homecare, without compromising therapy performance.

Improved Patient Experience

Small footprint and light-weight design makes the patient's recovery process discreet, comfortable, and quiet which can help support patient adherence to therapy.

Economic Value & Efficiency

Comprehensive Warranty & Service

+ **3-Year Warranty Included:** Enjoy peace of mind with a comprehensive 3-year warranty, ensuring long-term product reliability and support.
+ **Lifetime Repairs (fees may apply):** Extend the life of your device with lifetime repair options, providing continued performance and value beyond the standard warranty.

Efficient Resource Use

+ **Cross-Compatible:** Compatible with existing WoundPro dressings and accessories to reduce inventory complexity.
+ **Minimal Training Required:** Minimizes therapy disruptions and reduces staff training needs with intuitive controls.

Cost-Effective Performance

+ **Durable & Long-Lasting:** Offers a long-term, durable solution at a competitive price point, making high-performance NPWT accessible across care settings.
+ **Low-Maintenance:** Supports operational efficiency through dependable, low-maintenance use.

Healing, Simplified.

The WoundPro+ System

What's Included:

+ WoundPro+ pump unit
+ 300 cc canister
+ Power supply & accessories
+ Easy-to-follow user guide
+ WoundPro+ Carrying Bag

Key Features

Compact & Lightweight

+ Just 2.1 lbs with a small footprint (6¾" x 5¾" x 3½").

High Flow Rate

+ Maintains powerful 8 L/min flow which decreases the risk of exudate pooling and enhances proper exudate removal for balanced moist wound healing.

Three Therapy Modes

+ Continuous, Intermittent, and Variable-Intermittent modes with adjustable pressure and time settings to tailor therapy to patient needs.

Effective Exudate Management

+ 300 cc canister helps maintain a moist wound environment by efficiently removing excess exudate, supporting the healing process.

Technology, Safety & System Intelligence

+ **Smart Technology Tracking**
  Built-in usage tracking for improved billing accuracy, documentation, and compliance.
+ **Automated System Checks**
  Comprehensive alarms for vacuum leaks, line blockages, full canister, and low battery which supports patient wound healing and safety.
+ **24-Hour Battery Life**
  Supports mobility while ensuring consistent therapy delivery.

Indications For Use

The WoundPro+ Negative Pressure Wound Therapy System may promote wound healing, through the removal of drainage, infectious material and other fluids from the wound site, with continuous and/or, intermittent negative pressure. Patients with chronic, acute, traumatic, subacute and dehisced wounds, partial-thickness burns, ulcers (such as diabetic or poressure), flaps, grafts may benefit from the use of this device.

Additional Wounds Indicated Are:

+ Diabetic/Neuropathic ulcers
+ Pressure ulcers
+ Chronic wounds
+ Acute wounds
+ Dehisced wounds

Contraindications For Use

The use of the WoundPro+ NPWT system is not recommended for patients with necrotic/eschar tissue present, untreated osteomyelitis, non-enteric and unexplored fistulas, any malignancy in the wound, exposed vasculature, exposed nerves, exposed anastomotic site or exposed organs.

+ The WoundPro+ NPWT system may be used after the debridement of necrotic tissue and the complete removal of eschar.
+ Never use the WoundPro+ NPWT system where there are exposed blood vessels, organs, or exposed bone. Do not place the WoundPro+ dressings over anastomosis, sutured vessels, or exposed nerves.
+ In the case of exposed blood vessels, organs or bone, the black foam should never come in direct contact with these structures. It is important to check with the prescribing healthcare practitioner to confirm appropriate protection. They must first be covered with a porous, non-adherent wound contact layer prior to initiating negative pressure therapy to the area. Confirm specific orders with the clinician on protecting the area sufficiently. Applying NPWT directly over exposed blood vessels or organs even with a protective barrier still creates a significant risk, extreme caution is advised when treating wounds near vital structures.

Terms and Conditions

1. Applicability.

a. These terms and conditions of sale (these "**Terms**") are the only terms which govern the sale of the goods ("**Goods**") by the seller named on the reverse side of these Terms ("**Seller**").

b. The accompanying quotation (the "**Sales Confirmation**" and these Terms (collectively, this "**Agreement**") comprise the entire agreement between the parties and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral. These Terms prevail over any of Buyer's general terms and conditions of purchase regardless of whether or when Buyer has submitted or later submits its purchase order or terms. Fulfillment of Buyer's order does not constitute acceptance of any of Buyer's terms and conditions and does not serve to modify or amend these Terms.

2. Delivery.

a. The goods will be delivered within a reasonable time after the receipt of Buyer's purchase order. Seller shall not be liable for any delays, loss or damage in transit.

b. Unless otherwise agreed in writing by the parties, Seller shall deliver the Goods to Buyer's location identified in the quote using Seller's standard methods for packaging and shipping such Goods.

c. Seller may, in its sole discretion, without liability or penalty, make partial shipments of Goods to Buyer. Each shipment will constitute a separate sale, and Buyer shall pay for the units shipped whether such shipment is in whole or partial fulfillment of Buyer's purchase order.

d. For all goods that are delivered on consignment for future use or sale, all items will be assumed to be delivered accurately unless the Buyer informs the Seller of any errors or omissions within thirty (30) days of shipment date.

3. Non-Delivery.

Any liability of Seller for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or adjusting the invoice respecting such Goods to reflect the actual quantity delivered.

4. Shipping Terms.

Delivery shall be made FOB from Seller's location. Seller shall make delivery in accordance with the terms on the face of the Sales Confirmation. Seller can charge Buyer for shipping for actual costs plus up to 7%.

5. Price.

a. Buyer shall purchase the Goods from Seller at the price[s] (the "**Price[s]**") set forth in Seller's quotation.

b. All Prices are exclusive of all sales, use and excise taxes, and any other similar taxes, duties and charges of any kind imposed by any Governmental Authority on any amounts payable by Buyer. Buyer shall be responsible for all such charges, costs and taxes; provided, that, Buyer shall not be responsible for any taxes imposed on, or with respect to, Seller's income, revenues, gross receipts, personnel or real or personal property or other assets.

6. Payment Terms.

Buyer shall pay all invoiced amounts due to Seller net 30 days of invoice or shipment, whichever is latest.

7. Reporting.

a. Buyer shall record and transmit electronic data from relevant goods on consignment or rental to Seller by the tenth (10th) day of each month. Failure to provide timely data will result in Seller invoicing Buyer for thirty (30) days in the prior month for each relevant device.

b. At least once per month, Buyer shall provide Seller with an updated record of relevant goods on site for rental or consignment. Failure to report this data could require Buyer to purchase the relevant goods at standard pricing set by the Seller.

8. Damage, Repairs, and Replacements.

a. Any damaged goods for rental or consignment will be replaced by the Seller with notice from the Buyer.

b. Repairs for damaged goods will be invoiced to the Buyer at prices listed in Appendix A. For each good used by the Buyer on consignment or rental that require repairs, Seller will charge the listed prices less five hundred dollars ($500).

9. Limitation of Liability.

IN NO EVENT SHALL SELLER BE LIABLE TO BUYER OR ANY THIRD PARTY FOR ANY LOSS OF USE, REVENUE OR PROFIT OR LOSS OF DATA OR DIMINUTION IN VALUE, OR FOR ANY CONSEQUENTIAL, INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, OR PUNITIVE DAMAGES WHETHER ARISING OUT OF BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT SELLER HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES, AND NOTWITHSTANDING THE FAILURE OF ANY AGREED OR OTHER REMEDY OF ITS ESSENTIAL PURPOSE.

10. Compliance with Law.

Buyer shall comply with all applicable laws, regulations and ordinances. Buyer shall maintain in effect all the licenses, permissions, authorizations, consents and permits that it needs to carry out its obligations under this Agreement. Buyer shall comply with all export and import laws of all countries involved in the sale of the Goods under this Agreement or any resale of the Goods by Buyer. Buyer assumes all responsibility for shipments of Goods requiring any government import clearance. Seller may terminate this Agreement if any governmental authority imposes antidumping or countervailing duties or any other penalties on Goods.

11. Assignment.

Buyer shall not assign any of its rights or delegate any of its obligations under this Agreement without the prior written consent of Seller. Any purported assignment or delegation in violation of this Section is null and void. No assignment or delegation relieves Buyer of any of its obligations under this Agreement.

12. Governing Law.

All matters arising out of or relating to this Agreement is governed by and construed in accordance with the internal laws of the State of Texas without giving effect to any choice or conflict of law provision or rule (whether of the State of Texas or any other jurisdiction) that would cause the application of the laws of any jurisdiction other than those of the State of Texas.

13. Severability.

If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

14. Survival.

Provisions of these Terms which by their nature should apply beyond their terms will remain in force after any termination or expiration of this Agreement.
